Write a plan for your business 	A good business plan will help you to focus on the specific steps necessary to make your business idea succeed and will help you to achieve both your short-term and long-term objectives.	All serious business owners should be prepared to write a business plan including financial forecasts, so the business has the best chance of succeeding.	
Build your business 	Work through our FREE 'Build your business' video series to help you map out how your business will operate and make a profit.	So many ideas you don't know where to start. Planning your business and need to focus in on the core product or service? Don't know if you should take your business to the next stage? If any of these scenarios apply to you then you should watch this short video series.	
Personal survival budget 	Work out how much money you will need to make in your business to cover your living expenses before you start up.	This is especially important if you will be totally reliant on income from your business to live on.	
Social Security contributions 	Visit the Social Security Department to discuss how much your contributions are likely to be as a new business owner.	Make it a priority to understand how much your contributions are likely to be each month.	
Decide on a business structure 	Understand what type of legal structure would be the most appropriate for your type of business.	You can always change from a Sole Trader or Partnership to a Limited Company in the future.	
Secure a name for your business	Decide if you want a name for your business, then choose it with care as this is your Brand. If you are a sole trader, you can choose to use your own name.	This is applied for on the Business licence application. Make sure you can get the same domain name if you plan to have a website.	
Apply for a business licence 	Complete and submit a business licence application form for a Sole Trader/Partnership.	This is a legal requirement needed to trade in Jersey.	
Form a limited company 	If you decide you need to be a limited company look up our guide to set up a Jersey limited company.	This will explain the process you need to follow to incorporate your company online with the Jersey Financial Services Commission.	
Set up a bank account	Speak to your bank about setting up a separate account for your business. Discuss funding if your business requires it.	Opening an account can take up to 6 weeks, and in some cases longer, especially for a limited company so don't leave it until the last minute.	
Register for data protection 	If you collect personal data, which many businesses do in some way, register your business with the Office of the Information Commissioner.	This can be done online and there is a small fee.	
Other licences you might need 	Research what other licences may be needed for your business/industry and complete the forms.	Look at the Starting-up section on our website for more information.	
Income tax 	Contact Revenue Jersey and register as self-employed. If you have employees, you can submit your ITIS Returns online.	Go to the Gov.je website to understand Income Tax for Self-Employed.	
Tax checklist for self-employed 		Download the Government of Jersey's helpful checklist which shows everything you'll need when filing your tax return.
